

## Component Change of SX-BR-4600WAN2

August 31<sup>st</sup>, 2017

**Dear Valued Customer:**

Silex is providing you with this product change notification (PCN) to notify that a product component is being changed per the details described below.

<p><b>SKU's Affected:</b></p> <table border="1" style="margin-left: 20px; border-collapse: collapse;"> <tr> <td style="padding: 2px;">SX-BR-4600WAN2-US</td> </tr> <tr> <td style="padding: 2px;">OEM-BR-4600WAN2-US</td> </tr> <tr> <td style="padding: 2px;">OEM-BR-4600WAN2-WW</td> </tr> </table>	SX-BR-4600WAN2-US	OEM-BR-4600WAN2-US	OEM-BR-4600WAN2-WW
SX-BR-4600WAN2-US			
OEM-BR-4600WAN2-US			
OEM-BR-4600WAN2-WW			
<p><b>Description:</b>  Manufacturing of the following NOR Flash memory has been discontinued by Cypress (formerly known as Spansion). With no replacement part from the manufacturer, the affected products will be replaced with an alternative Flash memory from a different manufacturer.</p> <p>Component: NOR Flash Memory  Manufacturer: Cypress  Part Number: S25FL064P0XMF1000</p> <p>It will be replaced by an equivalent memory from a different manufacturer.</p> <p>Manufacturer: Winbond  New Part Number: W25Q64JVSFIQ</p>			
<p><b>Compatibility</b>  We have already qualified the new memory. Due to the change in memory location with the new Flash, the firmware for the affected products will need to be updated. This change will not affect the performance and the function of the product. It does not impact any existing certifications. The specification of the product may need to be updated to reflect the new part being used.</p>			
<p><b>Reason for change:</b>  Manufacturer has decided to End of Life (EOL) the existing component without a replacement part.</p>			
<p><b>Schedule:</b>  This will be a running change with the new Flash memory by April 1<sup>st</sup>, 2018.</p>			

We appreciate your understanding and look forward to your continued partnership with Silex.

Sincerely,  
Silex Technology America
